Homi Bhabha Centre for Science Education

About Pillai College of Engineering

Courses Offered

Computer Engineering	Information Technology
Electronics Engineering	Electronics and Telecommunication Engineering
Mechanical Engineering	Automobile Engineering

- Approved by AICTE
- Affiliated to University of Mumbai
- Reaccredited by NBA
- World Class Infrastructure
- Ranked 2nd by top MNC's
- Best Placement Opportunities
- MOU's with top MNC's
- University Toppers
- Best college festival
- Hands on sessions and Project Based Learning
- Industry Interactions
- Foreign Affiliations
- World class technical and cultural events
- Engineering football and cricket league

Our Mission

To develop professional engineers with respect for the environment and make them responsible citizens in technological development both from an Indian and global perspective. This objective is fulfilled through quality education, practical training and interaction with industries and social organizations.

About Makerthon

Makerthon is an event that gives a platform for budding innovators to create and exhibit their Innovations. The organizers would explain the problem and seek solution from the students participating in the competition.

The students have to design and develop the viable operating model and exhibit their model to scale the solutions and present their elevator pitches in front of panel of esteemed invigilators.

The invigilators would judge the best operating model and the participants would be rewarded at the end of competition.

Makerthon would make the students Learn, Think and Create the possible solutions to the problems devised by the organizers.

General rules for the Makerthon

- Entry fees per team is **Rs.50/-**.
- Last date of registration is **5th November 2019**.
- The team members should be from same school/college.
- Maximum **4 members** and a **Teacher** in a Team.
- The team should solve the given problem and develop a working model in stipulated time.
- Mentors will be provided to teams to help them throughout their journey.
- The innovation presented will be the property of the team and the Institution will have no ownership towards it.
- **Participants should agree with terms and conditions set by organizers**
